

## **RE-FASHION**

***Made from previously used garments and fabric, refashioning tattered, old stuff into stylish new gems. Re-fashion is wearable art and must be of quality construction and made to wear beyond the Rubbish Renewed Eco Fashion Show.***

- 1. Materials used** in the construction of re-fashioned garments must be made from previously used items and reconstructed into something **entirely new**.
- 2. New construction materials** may be minimally used, such as: glue, tape, dyes, staples, thread, zippers, elastic, wire, Velcro, boning, grommets, etc.
- 3. Use of materials and garments beyond repair and destined for the landfill is encouraged**
